## **College Visits**

We encourage students to visit colleges/technical schools that they are considering attending after high school; starting junior year if they have not already. Students are permitted to take two College Days during their junior and senior year to visit post-secondary institutions. Approval of the visit must be made prior to the day of absence by completing a College Day form in the Counselors Office with their counselor. This form, along with documentation from the institution, must be turned into Mrs. Jackson in the Attendance Office the first day back at Central.

## **College Representatives Visiting Central**

We have college/military representatives visit our high school, and these visits are open to Juniors and Seniors. The schools or military branch with upcoming visits are shared in the daily announcements. Students must sign up ahead of time in the Counselors Office. Contact Mrs. Mueller with any questions, [muellera@capetigers.com](mailto:muellera@capetigers.com).
