Dear Tiger Parents/Guardians,

Snow Days

I hope everyone had the opportunity to enjoy some extra time with family over the five day weekend we had due to the snow and ice that pushed through our area. The bad news is that the time missed will have to be made up through extra days being added to the academic calendar. Friday's snow day (January 12) will be made up on March 29, which was scheduled to be the first day of spring break. Our new last day of school is now set for May 21 as a result of yesterday's snow day. If we get any more snow days, the last day will be pushed back one day for every day missed. Please keep that flexibility in mind when scheduling family vacations. Until we get through the winter months, the last day of school is always a tentative date, and we'll be taking final exams right up until the last minute of the final day.

Course Enrollment

As difficult as it may be to believe, it's already time to start looking at course sign-ups for the 2018-19 school year. Students will be participating in enrollment meetings over the coming weeks led by counselors. Juniors will be meeting with counselors during their English III class today, January 17. Sophomores will have their enrollment presentation during their World History class on January 25. Freshmen will get necessary information on January 30 in their Physics class. Each student will have an opportunity to meet with a counselor for more individualized questions in the days that follow their grade's presentation. Parents are also encouraged to talk with their student and follow up with the appropriate counselor at Parent-Teacher Conferences on Thursday, February 15 with any questions that might come up.

Winter Ball

One final reminder as we approach Saturday's dance. This is a semi-formal dance in which students are encouraged to dress up. The cost of admission is \$5, and we'll be dancing from 8:00-11:00 pm in the CHS Commons. We will continue to remind students that they are expected to dance and dress with dignity. Low cut necklines, exposed midriffs, excessively short dresses, and sagging pants (gentlemen) will be prohibited. Please help us avoid this for your student. If there is any question, please don't hesitate to ask or play it safe and save it for a non-school event.

Dual Credit Meeting During Parent-Teacher Conferences

Are you looking for an avenue to earn college credit at a discounted rate? CHS Counselors and SEMO Dual Credit Director, Seth Ward, will host a short informational meeting in the CHS Library February 15 from 5:30-6:00 pm. Information will include dual credit course offerings, costs, requirements, and a Question/Answer session.
