ACT for Juniors

I know we're a long way off still, but wanted to get this on the radar for our parents of juniors. For the third consecutive year, all juniors across the state of Missouri will be taking the ACT test on the same day. This year our testing day is April 19. As you may know, the ACT test is a college admission exam that allows students to measure their preparedness for college. This is a free administration of the exam that can only help students as they look to plan their future. Because this exam is a statewide administration, there is no makeup day. Parents of juniors, please make plans now to ensure that your student is in school and well rested on April 19 if at all possible.

Presentation to Sophomores

All sophomores will participate in a presentation from the Career and Technology Center (CTC) on Thursday during Advisory. The CTC is located next door to CHS and has a variety of programs that are beneficial to all students regardless of their career path. Some of these programs include Pre-Engineering classes, Construction Trades, Nursing, Automotive Technology, Horticulture, Computer Programming, Unmanned Aircraft (Drones), Marketing, and Basic Flight. This presentation is an opportunity for students to ask questions about the programs in preparation for 2017-18 school year enrollment.

Winter One Act Plays

The CHS Theater Department proudly presents “Wit”, which is a one act play about one woman’s experience going through treatment for ovarian cancer. This play received recognition at the State Thespian Conference earlier this month, and has touched a number of people in the community. The Theater Department is using this play as a way to give back, as all proceeds from the production will be donated to Ovarian Cancer Research. There will be two opportunities to see the show, Friday and Saturday, January 27-28 at 7:00 pm on the stage of Kinder Hall. Tickets can be purchased (\$7 for adults, \$5 for students) in advance by going to capetigers.seatyourself.biz. Donations can also be made through this website.

Snow Day Reschedule

Just another reminder that CHS will now be in session on Thursday, April 13, which was previously scheduled as a day of Spring Break. This is the makeup day for the Friday, January 13 snow day.

Tiger Shoutouts

Congratulations to CHS Wrestlers Dalan Thompson and Reiss Groves for finishing second and fourth respectively in Conference Wrestling over the weekend. A word of congratulations also goes out to Winter Homecoming King and Queen Blake Harris and Rachell Mitchell.
