Dear Tiger Parents/Guardians,

### **Term 2 Ending**

The end of our second six week term is this Thursday. Please encourage your student to turn in any missing work that can still be turned in, and makeup and tests/quizzes that may still need to be taken care of so that their term grade can be as high as possible. Grades will be mailed home on Thursday of next week after teachers have had the opportunity to get all of their grades entered and confirmed. Remember, term grades are like reading a thermometer. They give us an idea of what the grade looks like at that moment in time. The semester grade is the one that matters most. That's the one that determines whether the student gets credit, and the grade that affects the student's GPA. It is also the grade that colleges will see.

The end of term two means we have just six weeks remaining in the first semester. As hard as that may be to believe, please encourage your student to finish strong by getting plenty of rest each night, and preparing for school each day (study for tests, finish homework on time, bring his/her device fully charged each day).

### **School Picture Retake Day**

Cheekwood studios will be at CHS on Thursday morning to take pictures of any students that missed the opportunity to have their photo taken at orientation or would like to have it retaken. It is important that every student have their picture taken by Cheekwood so that we have a professional shot of every student to be used in the yearbook. This is especially true for seniors, whose picture will be used in graduate publications in the news this spring.

### **For Seniors Newsletter**

The latest edition of the "For Seniors" Newsletter is available online in the guidance section of the CHS website [www.chs.capetigers.com/Guidance.aspx](http://www.chs.capetigers.com/Guidance.aspx). This newsletter focuses on scholarship opportunities, test dates, and upcoming college visits to our campus. This is a great resource for parents to use along with their students to support efforts to keep kids on track for future educational planning.
