

# CENTRAL SENIOR HIGH SCHOOL

1000 South Silver Springs Road  
Cape Girardeau, Missouri 63703

October 3, 2017

Dear Tiger Parents/Guardians,

## **Dress Code Procedures**

In an effort to reduce the amount of time that students miss out of class, we are adjusting our response to dress code violations. In the past, we would ask students to change into dress code appropriate attire, which meant walking to our clothes closet, getting a change of clothes, or calling home to see if parents could bring something that fit the dress code for them to change into. This process has resulted in students missing out on class time and staff members spending significant time to get students changed into dress code- appropriate clothes.

The new procedure will require students to change only if they are significantly out of dress code. Violations such as sweatpants, tattered jeans that have patches behind them, sandals that don't have a strap around the back of the heel, etc. will result in the student reporting to the office to be documented. They will then have a slip of cardstock that shows they have been through the office for any other teachers that may ask them throughout the day.

## **Explorers program**

Students unsure about the next step after high school are invited to join an Exploring Club! Exploring provides exciting activities and one-on-one mentorship for youth looking to discover their future. Students will get real-life, hands-on experience to determine whether or not a particular career field is right for you.

Exploring offers experiences in a variety of career fields:

- Fire Service & EMS
- Health Care
- Law & Government
- Law Enforcement

Join us on October 10, 2017 at the CHS JV Gym from 6-7:30pm! We ask that parents/guardians attend with their student. Questions? Contact Ashley Duerst, 314-920-0621.

## **Apply Missouri**

Students graduating in today's economy need more than a high school diploma. We strongly encourage students to earn a "high school diploma plus..." That plus can be college or any other post-secondary education in order to be competitive in today's job market. In an effort to support students in their goals. We are hosting Apply Missouri, which is a concerted plan to support students in the application process. Any students
