

# CENTRAL SENIOR HIGH SCHOOL

1000 South Silver Springs Road  
Cape Girardeau, Missouri 63703

October 30, 2017

Dear Tiger Parents/Guardians,

## **Picture Retakes**

Cheekwood will be in our building tomorrow for any students needing to get their picture taken because they missed the first round or if they just want to get a retake. Picture order packets have been available in the main office for any students interested in participating. Any seniors who have not had their senior picture taken should use this opportunity to do so as well.

## **“For Seniors” Newsletter**

The latest edition of the “For Seniors” Newsletter, which includes information about scholarships, applying to colleges, transcript requests, letters of recommendation, college visits and much more. The newsletter can be accessed through the counseling portion of the CHS website, or by clicking the following link: <http://bit.ly/2gOIVbi>

## **Halloween Costumes**

Any students interested in dressing up for Halloween tomorrow are welcome to do so, but please help us to stress the need to be cut and coverage compliant. In order to be out of dress code, students will need to be in a clear and obvious costume. This is not a free for all to wear sweats for no reason.

## **Cap and Gown Orders for Seniors**

Jostens distributed cap and gown order packets to seniors last week. If your senior didn't bring a packet home, please contact the office and we can get another copy to you. Representatives from Jostens will be back on our campus on Wednesday and Thursday of this week to take orders for cap and gowns as well as announcements and other graduation paraphernalia.

## **Sports World Assembly**

On Thursday, we will be having an assembly during advisory. The keynote speaker will be Chip Minton, a former Olympic Bobsled team member and Pro Wrestler. He will be talking to students about making good choices. The tag line for Mr. Minton and all Sports World Assembly speakers is, “You're not born a winner or a loser. You're born a chooser.”, referencing the fact that we all make choices in life that lead us toward or away from the goals we're trying to achieve. This assembly is brought to us by the same organization that brought us Adrian Branch last year thanks to the generous donation of Bob and Bonnie Nations as well as several area businesses.
