November 7, 2016

Dear Tiger Parents/Guardians,

Tiger Shoutout

Congratulations the Boys Swim Team for winning a state championship over the weekend. This is the first ever state championship in swimming for CHS. State records were broken and a number of medals went home around our boys' necks. Swim Coach Dayna Powell was also selected Coach of the Year. We held an assembly today during Advisory in honor of these fabulous achievements. Way to go Boys Swimming!

More congratulations go out to the Varsity Football team for winning their fourth consecutive Class 4 District 1 Championship; quite an accomplishment. They continue their march through the state football playoffs this Friday, November 11 at 7:00 at home versus Ladue Horton Watkins. Because the game is a MSHSAA sponsored event, admission will be \$7 and no passes will be accepted.

Flu Vaccine Clinic

Be on the lookout for report cards early this week, as they were mailed late last week. Also included in the mailing was information about the flu vaccine clinic taking place next week Thursday in the Tiger Den at CHS. There will be a \$20 charge for students receiving the injectable vaccine unless the student is covered by Medicaid or Medicare. Checks can be made out to "CCHD". The flu mist will not be offered this year as the CDC has recommended against using it for flu prevention.

If you'd like for your student to receive the vaccine, please fill out the consent form included in the mailing with all questions answered (including a Medicaid number if applicable) and return it to the school nurse along with payment.

Study Abroad Opportunity

The Downtown Rotary Club is interested in sponsoring a CHS student to study abroad during the 2017-18 School Year. If you have a student who may be interested in doing this, please contact Mr. Kase for more details at your earliest convenience as the deadline is quickly approaching.

Our Second Century of Teaching, Learning, Caring!

Academic Bars and Letters Ceremony

It has become a Cape Central Tradition to honor and recognize any student that achieves high honor roll for both semesters. On Wednesday, November 16, we will recognize all students who achieved that honor during the 2015-16 School Year. At this point, all students who qualified should have received an invitation from the CHS office. If you think your student may have qualified, but you haven't seen a letter regarding the event, please let us know. We will try to sort out what went wrong.

FBLA Blood Drive

The Future Business Leaders of America are sponsoring their semi-annual Blood Drive this Friday from 7:35 am – 1:00 pm. Students that are 16 and older can sign up to give blood but those who are 16 years but must have a parental consent form filled out. Those forms are available in the front office or from Mrs. Taylor. We would also love to extend the invitation for parents and community members to donate. Remember three lives can be saved with every pint of usable blood and on this Veteran's Day please remember that it could also be a soldier or a veteran. If you'd like to participate, no appointment is needed, just come into the CHS office between 7:35 am and 1:30 pm on Friday. We will direct you to the appropriate place from there.

College Financial Aid Support

SEMO is hosting another opportunity for parents and students to receive support in filling out their Free Application for Federal Student Aid (FAFSA), which is a form that is used to apply for federal financial aid for post-secondary education. The "FAFSA Frenzy" will be hosted on November 13 from 2:00-4:00 in Dempster Hall (Corner of New Madrid and Henderson St.). Financial aid professionals will be on hand to support completing the FAFSA for the 2017-18 school year. Students should come prepared with Social Security Numbers (Students and Parents) and relevant 2015 tax information.
