Dear Tiger Parents/Guardians.

Spring Sports and the Final Twelve Weeks

Today marks the beginning of the spring sports season including Baseball, Golf, Girls Soccer, Boys Tennis, and Track. Spring sports beginning every year is that cue that we are gearing up for the end of the year. It will be a dead sprint from here until May. Thank you for all you will do between now and then to keep your student motivated and on track to meet their learning goals.

Advanced Placement Exams

Any student in one of the fifteen Advanced Placement (AP) courses at CHS has the opportunity to take an Advanced Placement exam to document their level of learning. Scoring a 3, 4, or 5 on the exam allows the student to receive college credit that is transferrable to most Universities. The cost of the exam is \$93, but \$15 of that amount will be due with the registration on March 16th. An information packet was sent home with students through Advanced Placement classes at the end of last week. If you need another copy of the paperwork, please contact Mrs. McClard at mcclardl@capetigers.com.

The AP Exam Schedule is as follows:

- May 1 Chemistry and Environmental Science
- May 2 Spanish Language and Physics 1
- May 4 US Government
- May 5 US History and Studio Art
- May 8 Biology and Music Theory
- May 9 Calculus AB/BC and French Language
- May 11 World History and Statistics
- May 12 Human Geography
