National School Counseling Week

This week marks the celebration of Counselor Appreciation Week. We are so blessed at CHS to have an amazing team of counselors. We are encouraging teachers, students and parents reach out and show them how appreciative we are for the work they do with our students every day.

ACT Prep Newsletter

Juniors will be taking the ACT on April 19 as part of a statewide testing day. Sophomores and seniors may also be taking this college readiness assessment at some point in the spring. Mrs. McClard, M-R Counselor, has put together an informative newsletter available at <https://www.smore.com/27nxj> and containing a plethora of information that will be helpful for students to prepare for this important test.

Senior Class Fieldtrip

The Senior class will be receiving a flier tomorrow during their Advisory class period notifying them about a fieldtrip scheduled for April 19. Due to ACT testing that takes place in the building on that day, we have planned an activity for each grade level. Seniors will be bused to Six Flags for a celebration of their four year journey through high school. Six Flags is closed to the public that day, but will be open just for schools bringing their senior classes. Three scholarships will be given at random that day as well.

In order to qualify for the trip, seniors must be absent fewer than five days during the second semester up until the trip, pass all classes required for graduation, and not have any disciplinary referrals that result in ISS or OSS. We are hoping this trip will be a cure for some senioritis that inevitably sets in during the second semester for some seniors. Cost of the trip will be \$45, which includes admission to the park and a meal.

Second Semester Information

Please see the list of “Upcoming Events” on the second page. Dates and times for Baccalaureate, Commencement, the final day of second semester, etc. have been set. More details will follow as we approach the end of the second semester.
