Dear Tiger Parents/Guardians,

Thanksgiving Break

Just a reminder that there will be no school Wednesday through Friday of this week due to Thanksgiving Break. We are so thankful for all we have as a school; supportive parents, students of character, and a caring staff. Best wishes for a peaceful and relaxing break spent with family and friends.

Government End of Course Exams

Juniors enrolled in a Government course will be taking their Government EOC on Tuesday when we return from the Thanksgiving break. This course is a state requirement to assess students' level of learning in the course. Students in Algebra B, Algebra I, Biology, and English II will be taking similar EOC's in the spring for those year-long courses.

Is your student a Senior who still Needs/Wants to Apply to SEMO?

If so, be sure to sign them up for the SEMO On-Site Admission event on Thursday, December 7th between 9am-12pm. Our SEMO Admission Counselor, George Gasser will be here to meet with them in the Counselors Office while they complete the college application. He will review their transcript, senior schedule, and test scores to let them know if they are admissible to SEMO, or what they would need to do in order to be admissible. The \$30 application fee will still be needed; either the day of, or paid at a later time, unless the student qualifies for an application fee waiver (see your counselor). They need to [Sign up here](#) by December 5th for their own time slot to meet with Mr. Gasser.

FBLA Blood Drive

Sixteen year olds need a parent permission slip and those may be found in the office or from Mrs. Taylor in room G218. Our goal is 70 units and that goal will also get us a scholarship that we can give to a student to help with college. Please come out and save a life!
