## **Docudrama**

Team Spirit is sponsoring a Docudrama on April 11. All senior advisories will walk out of the building to see a mock car accident and the ensuing response. The Cape County Emergency Management Team will respond as though it is a real accident. Students will see student actors removed from the vehicle and taken away in the ambulance including a fatality. This powerful docudrama is conducted by the Missouri Department of Transportation. It carries the potential to be very moving and possibly traumatic for some students. Counselors will be present in the event that a student needs emotional support. We are also sending home an opt-out form with all senior students. In the event that you would prefer you student not participate, please sign the opt-out form and return it to your student's advisory teacher. An extra copy of the form has been attached to this newsletter for your convenience.

## **150 Years of Excellence**

Cape Public School District is celebrating 150 years of educating students in the City of Cape beginning with the kickoff on Friday, April 7 with all students and staff receiving a special treat. We will continue to recognize this great milestone throughout the next year. Be on the lookout for upcoming special events.

## **Decision Week 2017**

This week is Decision Week 2017 at CHS. We are recognizing the important choices that our seniors are making about their lives after high school. In an effort to be intentional about this recognition, seniors took a survey today during Advisory to identify their plans. Later this week, our counseling department has planned more activities focused on post-secondary planning including guest speaker and former Mayor of Cape Girardeau, Jay Knudtson, "Ask Me About It" signs, a spirit wear day, and a social media campaign. For more details on these activities and Decision Week 2017 see the following link:
