

CENTRAL SENIOR HIGH SCHOOL

1000 South Silver Springs Road
Cape Girardeau, Missouri 63703

May 15, 2017

Dear Tiger Parents/Guardians,

This is the final parent newsletter until the summer mailer, which will arrive in your mailboxes in July. I wish to thank you for another successful year of educating the students of Cape Girardeau. We are truly blessed to have such an active group of parents that partner with us in accomplishing our common goals of preparing young people to be socially, emotionally, and academically prepared to take on anything their future hold.

Yesterday, 245 seniors participated in the 105th Commencement Ceremony of Cape Central Senior High School including a National Merit Commended Scholar in Katy Kinder, a National Merit Recipient in Amy Dai, a Missouri Scholars Top 100 in Amy Dai, and many more of the best and brightest Southeast Missouri has to offer. Congratulations and good luck to them as they move out into the world.

End of Course Exam Scores

The results are in from End of Course Exams. We plan to mail individual scores home toward the end of next week, but if you would like to pick up your students' scores sooner, please don't hesitate to drop by the office at any time.

Summer School

Summer School enrollment is still underway. Students can use this opportunity for enrichment to get ahead on classes that they may have a difficult time fitting into their schedule during the regular school year or to recover credit from classes they have failed. Summer School runs from May 24 through June 21. Students can sign up for the morning session (7:45 am-10:55 am), afternoon session (11:25 am-2:35 pm), or both. One half credit will be awarded for each class passed for a maximum of one full credit. Breakfast and lunch will be provided to all students participating free of charge. Please see the attached Summer School enrollment form for a listing of classes that are available and to sign up. The enrollment form should be turned into the guidance office. Please see your student's counselor, Ms. Scheller, or Dr. Kase with any questions.

CAP Exams

Our first CAP exam of the week took place today. As a reminder, CAP exams account for 15% of the semester grade in most classes. Obviously, it's important for each student to be present for their exams at their scheduled time, but should the need arise for a student to be absent this week, please make arrangements with the teacher to make up the exam after school. Each of the four principals are taking a day after school to proctor makeup exams in Tiger Den including our final day on Thursday after everyone else dismisses at 11:15 am, we'll have a number of students sticking around for makeups. The CAP exam schedule is listed below for your convenience.

Summer Dates

Please see below for upcoming dates this summer so that you can get them on your family calendars including an immunization clinic on July 31 for all students, but mostly focused on students that will be incoming seniors who need the meningitis shot before they can begin their senior year. The Health department will be on hand to provide the meningitis shot to students interested in getting it as they go through orientation and to provide immunizations to any other students that may need immunization such as the Tdap. Orientation dates for each incoming grade are also listed. More information to follow in the summer mailer.
