Dear Tiger Parents/Guardians,

School Pictures

Any student who ordered school pictures should be receiving those pictures during advisory Thursday. If you placed an order, but don't receive the pictures, please have your student make contact with their advisory teacher. School picture makeup day is scheduled for October 31 if you missed out on pictures during orientation days or if you'd like to have your student's picture retaken.

PSAT Testing

The Preliminary Scholastic Aptitude Test (PSAT) will be administered on October 11 at CHS. This test provides:

- the opportunity to enter the National Merit Scholarship Program
- connections to additional scholarships
- free, focused practice through Khan Academy

Sophomores and juniors who would like to take the test, must register for the PSAT in the CHS counselors office by Wednesday, September 20. Please contact Ms. DuBose at dubosem@capetigers.com with any questions you may have.

Upcoming College Fair

Mark your calendars for the SEMO Regional College Fair to be held on Monday, October 16th from 12:30-2:30 pm in the Student Rec Center - North on SEMO's campus. They expect over 85 schools/organizations to be represented at this college fair.

Juniors and seniors are welcome to sign up to attend as part of their school day; they must sign up by September 25th via the link found in their daily announcements. Please encourage your junior/senior student to sign up for this opportunity to learn more about their post-high school options. If they sign up to attend, students must ride the provided bus transportation to and from the College Fair. Parents are also welcome to attend the College Fair if they would like to gather information as well. Feel free to meet your student up there. Please contact Mrs. Mueller if you have any questions at muellera@capetigers.com.

Senior Class Meetings

Counselors are meeting with seniors this week and next to discuss post-high school plans. During the meetings, each student's assigned counselor will cover college applications, transcript requests, scholarships, FAFSA, and college/technical school visits. If you have any questions about the meeting with your student or the topics covered, please contact the counselor assigned to your student.

Seniors will also be meeting as a class to learn about the upcoming magazine sales on Thursday. They should be coming home with their packets of sales information that afternoon. This is a fundraiser to keep the cost of prom down for all seniors and their guests. The success of this fundraiser will ensure our ability to offer prom tickets at the same price we have used in the past. Anyone interested in purchasing or extending a magazine subscription are encouraged to get in contact with a senior student. If you would like to place an order, but don't know a senior, please let us know and we will send a senior your way.
