School Pictures

Any student that ordered school pictures that were taken at orientation, should be receiving them today during Advisory. If you think you should have received pictures, and your student was in Advisory today, please contact Cheekwood Studio at 573-335-0815.

Any students that missed getting school pictures during Orientation will have another opportunity on October 27. All students should have their picture taken even if they don't want to order a picture packet, as we use these photos for the yearbook.

CHS Student to State Officer

We are very excited to announce that Justin Tuschhoff, a CHS junior, was elected to a state officer position in the International Thespian Society. He is one of four students from across the state elected to represent local chapters, and the first student ever from Cape Central to hold the position. Justin has been going through the application process since April. Quite an honor indeed! Sabrina Sander and Katherine Carns also presented to a panel in an effort to gain the title of Honor Troupe. We'll find out in January if they were successful.

Substitute Teacher Workshop

Cape Girardeau Public Schools are always looking for talented individuals to cover a classroom or office when a teacher, nurse, or administrative assistant is out sick. The first step in becoming a substitute teacher is to attend a substitute teacher workshop. The next opportunity is September 30, 2016 from 8:00 am to 12:00 pm. If you or anyone you know may be interested, please call Willetta Brookins at the Central Administrative Offices, 573-335-1867.

Student Organizations

Research has consistently shown that students who get involved with their school through athletics, music, art, and student organizations do better in school. Fall sports are thoroughly underway, but winter sports will be starting up toward the end of next month. There are still a few student organizations that are looking for new members. Two such groups are Future Business Leaders of America (FBLA) and Robotics Club. Robotics club meets on Mondays after school until 4 pm starting today. This group spends the year building and programming a robot that can accomplish a number of tasks faster than the

Our Second Century of Teaching, Learning, Caring!

competition's robot. Any student with questions about this group may show up to the meetings (Mr. Grimes's classroom at CTC) or email Mr. Craig Grimes at grimesc@capetigers.com. Likewise, FBLA focuses on developing community and corporate leaders through projects, service, and competitions against other schools later in the year. FBLA meets this Thursday, September 15 at 2:50 in Room G218 with a makeup meeting at 7:20 am on Friday, September 16 at 7:10 am.

Upcoming Events:

September 12-17 Varsity Boys Soccer @ Hillsboro Invitational- TBA
