Dear Tiger Parents/Guardians,

Parent-Teacher Conferences

I hope you are planning to join us for Parent-Teacher Conferences on Thursday. Parents will have the opportunity to visit with each of their student's teachers to check on progress and continue to strengthen the connection between home and school. We are in this together working for a common goal of preparing your student for the next phase of life, whatever that may look like.

Conferences will also be an opportunity to meet with your student's counselor to discuss scheduling classes for next year. Our counselors will be at CJHS periodically throughout the day to present to our incoming freshmen. Any counselor can discuss enrollment processes with you, but it may be helpful to speak specifically with your student's counselor. To assist you with planning your time accordingly, below is a listing of when counselors will be off campus:

12:00-2:30 pm Mrs. Mueller and Ms. DuBose at CJHS (Mrs. McClard and Mrs. Ries at CHS)
5:00-7:30 pm Mrs. McClard and Mrs. Ries at CJHS (Mrs. Mueller and Ms. DuBose at CHS)

From 5:30-6:00 pm there will be a Dual Credit presentation in the library discussing changes to the program primarily affecting math and science dual credit classes. This will be a great opportunity for any parents not familiar with dual credit to find out more information as well.

A mobile food pantry will be set up ready to distribute food to anyone interested in taking home a bag of groceries. There is no pre-qualification to be eligible for food other than being able to use all that you take.

Finally, we will be offering a new Air Force Junior Reserve Officer Training Corps (JROTC) program next year. Students can sign up to take the program as a class, which instills values of citizenship, service, responsibility, and leadership in students. There is no military commitment involved with program membership. Sponsors of the new Air Force JROTC program will be available during conferences to answer questions about the program.
